

Welcome to Animal Adventure!

The player starts as a bunny, then unlocks new characters (turtle, monkey) with each new level. Each character has a special ability that helps them reach the goal flag in each level.

**Bunny:** use A and D to move left and right, and use W to jump! Jumping is the bunny's ability, and it can jump higher than other characters by pressing g.

**Turtle:** use A and D to move left and right! Swimming is the turtle's ability, and it can traverse through water easily. However, the turtle is unable to jump :(

**Monkey:** use A and D to move left and right, use W to jump, and G to climb! Climbing is the monkey's ability, and it can reach high areas by climbing vines.

As you go through each level, try to collect **yummy apples**! But watch out for **spiders** and **thorns**, as they'll send you back to the beginning of the level.
